CODE OF CONDUCT

Lambeth Tigers is run by volunteers who donate their time and services to the club for free. Without this input we would not be able to function.

As well as teaching good football we want our boys to be well-rounded citizens and role models both on and off the pitch. It is important that parents/carers/ spectators set an example and follow the code of conduct below both at training and matches

- Respect the coaches and volunteers of the club and speak to them in an appropriate manner
- Remain outside the field of play and behind the Designated Spectator Area (where provided)
- Never engage in, or tolerate, offensive, insulting or abusive language or behaviour
- Always respect the match officials' decisions
- Applaud effort and good play as well as success

In addition, when attending youth games we expect:

- Remember that children play for FUN
- Let the coaches do their job and not confuse the players by telling them what to do
- Encourage the players to respect the opposition and match officials
- Never criticise a player for making a mistake -mistakes are part of learning

If you breach the above it may result in action being taken by Lambeth Tigers

The coaches are willing to discuss any concerns you may have and would appreciate it if you raise these at an appropriate time and manner with your child's coach

Can we also take this opportunity to remind you that it is imperative that you answer coaches' texts in regards to match fixtures. If you are having travel difficulties we will do our best to help with transport but cannot always guarantee. Please contact your child's coach in adequate time if you require assistance.
